

Sterility & Packs at Spay/Neuter Clinics

Our pack contents vary depending upon the species and sex of the patient. Packs should ideally be assembled on a pack wrap in list order:

Female Dog Pack

- 1 x surgical Huck towel (as the base)
- 2 x Carmalts (preferably 1 straight and 1 curved)
- 1 x spay hook
- 1 x Crile
- 1 x mosquito hemostat (curved or straight)
- 1 x needle holder
- 1 x pair rat tooth forceps
- 1 x pair Metzenbaum scissors
- 1 x stack of gauze (5 pieces, 4"x4")
- 2-3 x towel clamps
- 1 x sterilization indicator strip
- 1-2 x surgical Huck towels (depending on size of dog)
- 1 x fenestrated drape

Female Cat Pack

- 1 x surgical Huck towel (as the base)
- 1 x Carmalt
- 1 x spay hook
- 1 x Crile
- 1 x mosquito hemostat (straight)
- 1 x mosquito hemostat (curved)
- 1 x pair Adson-Brown forceps
- 1 x pair Metzenbaum scissors
- 1 x needle holder
- 1 x stack of gauze (5 pieces, 4"x4")
- 2-3 x towel clamps
- 1 x sterilization indicator strip
- 1 x surgical Huck towel
- 1 x fenestrated drape

The content of these packs may change per your surgeon's request/preferences.

Sterility & Packs at Spay/Neuter Clinics

Our pack contents vary depending upon the species and sex of the patient. Packs should ideally be assembled on a pack wrap in list order:

Male Dog Pack

- 1 x surgical Huck towel (as the base)
- 1 x extra large Crile or Carmalt
- 1 x needle holder
- 1 x pair Adson-Brown forceps
- 1 x stack of gauze (5 pieces, 4"x4")
- 2-3 x towel clamps
- 1 x sterilization indicator strip
- 3 x surgical Huck towels

Male Cat Pack

This pack accommodates 8 cat neuter surgeries. Layer 1 x gauze and 1 x mosquito hemostat together (as depicted) for ease of use.

- 1 x surgical Huck towel (as the base)
- 8 x mosquito hemostats
- 8 x pieces of gauze (4"x4")
- 1 x sterilization indicator strip
- 1 x surgical Huck towel

The content of these packs may change per your surgeon's request/preferences.

Sterility & Packs at Spay/Neuter Clinics

Prepare two of each of these packs per surgeon, in case the first is contaminated.

Instrument/Extras Trays

The contents of this tray may vary. Its purpose is to provide the surgeons with extra instruments, gauze, etc. Instrument trays and their lids should be autoclaved separately.

- 1 x surgical Huck towel (as the base)
- 1 x large Crile
- 1 x small Crile
- 2 x Carmalts (straight)
- 2 x Carmalts (curved)
- 3 x mosquito hemostats (straight)
- 3 x mosquito hemostats (curved)
- 1 x pair Adson-Brown forceps
- 1 x pair rat tooth forceps
- 2 x needle holders
- 2 x pairs Metzenbaum scissors
- 2 x towel clamps
- 2 x spay hooks
- Small stack of gauze (about 15 pieces, any more will be wasted, 4"x4")
- 1 x sterilization indicator strip
- 2 x surgical Huck towels (either side of the gauze pile)
- 1 fenestrated drape (laid on top of gauze and surgical towels)

Needle Pack

- Variety of needle sizes
- 1 x needle holder
- 1 x sterilization indicator strip

The content of these packs may change per your surgeon's request/preferences.
