Key:

Playtime – 45 supervised minutes in an indoor or outdoor exercise area

Pupsicles – Dog food or peanut butter mixed with water & frozen inside small plastic containers (like yogurt cups)

Kong-like toy – Rubber toy with hollow center for placing treats inside

Puzzle toys – A treat dispenser manipulated by the dog

Chews – Any chewable toy or treat approved by your veterinarian; supervision may be required

Scent – Toys infused with high-interest dog scents such as vanilla, peppermint, etc.
